

SYED MUHAMMAD SALMAN NAQVI

Operations & Communications Professional

smsalman862@gmail.com | +923272134562 | Karachi

SUMMARY

Detail-oriented and ambitious professional with a unique background spanning Digital Media Marketing and high-pressure media operations. Proven track record in executing time-sensitive workflows, driving cross-functional coordination, and maintaining strict compliance standards. Highly skilled in client relationship management and service excellence, with a natural ability to leverage digital tools to optimize operational efficiency. Committed to delivering exceptional, customer-centric financial solutions that foster long-term client retention and contribute to corporate growth.

PROFESSIONAL EXPERIENCE

Associate Producer, ASIA ONE NEWS

Dec 2025 – Present

- Managed real-time, high-pressure communication workflows within the live broadcasting nerve center, ensuring seamless coordination among multi-functional teams.
- Developed strong crisis-management and split-second decision-making skills to resolve operational bottlenecks instantly.
- Coordinated heavily with editorial and technical teams, sharpening professional verbal communication

Front-End Developer, Magnetic Technology

Jan 2022 – Sept 2023

- Managed direct end-to-end client communications, gathering technical business requirements and presenting customized digital solutions.
- Successfully pitched, negotiated, and maintained client accounts by building long-term project trust and transparency.

INTERNSHIP

Internship, Inter Services Public Relations (ISPR)

Jul 2024 – Aug 2024

- Gained firsthand exposure to strategic communication, corporate media relations, and public affairs within a high-profile state organization.
- Collaborated with communication teams on target audience engagement, content development, and strategic public briefings.
- Polished professional etiquette, public speaking, and corporate presentation skills required for high-stakes networking.
